Located beachfront in the heart of Waikiki, The Royal Hawaiian, a Luxury Collection Resort is synonymous with romance. Affectionately called the “Pink Palace of the Pacific,” the coral-hued resort opened in 1927 and is internationally recognized as one of the world’s top honeymoon destinations with its magnificent Spanish-Moorish architecture, spectacular lush setting, and celebrated history. The Royal Hawaiian is a member of Historic Hotels of America and offers 529 rooms including 18 oceanfront and six two-story exclusive suites, with more than 66,000 square feet of beachfront space and world class signature restaurants and lounges.

Mailani Tower represents a new era in luxury accommodations with upgraded, exclusive experiences. The rooms and suites have been fashioned with fine details that invite guests to enjoy the stunning views from their lanai. Many of the guest spaces have been afforded extra attention, including improvements to guest corridors, elevators and elevator landings. As soon as a stay has been booked in the Mailani Tower, that guest is contacted by a Mailani destination authority to create a unique journey in the Mailani Tower. The tower features its own check-in, dedicated concierge team, and the centerpiece of the tower is the Mailani Lounge experience where guests may enjoy elevated breakfast during “Mailani Mornings” and a Luxury Collection cocktail during “Mailani Evenings.”
